

The Teachings of Vatican II with Father Sy Nguyen

2025 will mark the 60th Anniversary of the conclusion of the Vatican II Council. Historically, it has taken 50-75 years for the results of an ecumenical council to be fully integrated into fabric of the Church. This means now is the time for the full impact of the 21st ecumenical council to be felt by the faithful.

There has been a great deal of speculation regarding the teachings of Vatican II. Unfortunately, much of that speculation has been made by people who either did not read the documents that the council produced or have interpreted those documents through their own ideological lens.

Isn't it time you found out for yourself what the Fathers of Vatican II taught? Isn't it time that you held some of the most important documents the Church ever produced in your own hands and walked through them so that you speak intelligently and faithfully regarding their content?

Starting Wednesday, May 22, Father Sy will walk through the four great constitutions produced by Vatican II. During each 90-minute session (**7:00-8:30 PM**) Father Sy will provide both historical context and theological insights. **Starting with Lumen Gentium (Dogmatic Constitution on the Church)** and then proceeding through Sacrosanctum Concilium – (Constitution on the Sacred Liturgy), Dei Verbum (Dogmatic Constitution on Divine Revelation) and concluding with, Gaudium et Spes (Pastoral Constitution on the Church in the Modern World); Father Sy will be **walking through each document paragraph by paragraph** highlighting the key points being made, dispelling misconceptions, and answering your questions.

The sessions will continue most Wednesday (holidays, vacations, and occasional event conflicts excluded) until all four documents have been thoroughly reviewed

through the course of 2024 and 2025.

Participants are free to drop in and out as one's schedule permits and / or as one's interest in particular teachings are peaked.

Attend several sessions, most sessions, or all of them.

NOTE: All four documents can be found in English and Spanish (and 6-12 other languages) on the Vatican website where they can be freely downloaded and then printed in pdf format. Simply enter the document name into your search engine.
